Ten Reasons and comments you have given us to reconvene face to face:

1. You ask us to come back together to meet with your peers!
2. You have said that the value and power of your networking at this meeting is too great to miss again if at all possible!
3. Health care policy and delivery is changing so fast that for me to miss a Fall Meeting puts me far behind the learning curve.
4. Peer to Peer socialization is a powerful leadership learning tool.

5. This agenda is so power packed that I do not want to miss it!
6. The Town Hall Meeting is amazing. I just appreciate the exchanges in that time slot!
7. I look forward to some different FOOD!
8. I enjoy interacting with the Business Partners. Never did I realize how much I enjoyed that interaction and learning experience until I don't get to see them.
9. I like Callaway Gardens !!!! It's just that simple!!
10. I just have to learn how to live in a world where the virus will forever be with us and where I can travel , meet people, and protect myself from ill..

HomeTown's Safety Commitment:

HomeTown's pledge to you is that within our power we will employ every safety protocol so forgive us for our stringent requirements but they are for all of our safety. Every safety protocol that we have learned about is to make sure that we are compliant with CDC rules and Governor Kemp's executive order expectations.
