History:

1. HomeTown has, for more the twenty years, conducted an annual CEO Day at the Capitol where an agenda of notable legislators has come to you as attendees to hear their take on the legislative session to date within each year.
2. Attendees usually are numbered about forty hospitals along with some business partners
3. Normally, we meet in several sites in the Capitol. Because of the COVID-19 Pandemic, we will meet virtually this year which means you can join the meeting via [this link](#) and stay in place for the day to hear an excellent cadre of speakers. Additionally, we will encourage you to "sit" in the Gallery of both House and Senate to observe the official session, as convened.
