

**Georgia Flex Grant 22-23 Program Breakout Session**  
**Wednesday, April 12, 2023**  
**9:00am - 12:30pm**

**Trauma Informed Care: Focus on Post-Acute Care Populations**

*Open to all Critical Access Hospitals in Georgia (Flex Grant Program)*

Trauma-Informed Care (TIC) clinical programming and ongoing educational training was required for swing beds in October 2018, while the survey process for nursing homes (NFs) and SNFs was implemented in November of 2019. This session covers and Introduction to Trauma Informed Care: (TIC) and will emphasize physical and emotional safety for patients as well as providers through developed policies, programming, and ongoing training. In this session, the speaker will guide participants through interactive exploration of current key concerns of swing bed providers and provide expertise on implementation of evidence-based solutions.

9:00am - 9:10am	Welcome	Lauren Adair, Program Manager, HomeTown Health
9:10am - 12:30pm	Trauma Informed Care Session	Kerry Dunning, President, Kerry Dunning, LLC

**12:30pm – 1:15pm Lunch Break**
